Upgrade KIT

# VUZIX

# M300 Upgrade KIT

## TECHNICAL SPECIFICATIONS

This kit when combined with a standard M300 smart glasses provides enhanced 2.4GHz Wi-fi performance relative to the native M300 solution.

Custom designed 870 mA battery .Includes a micro USB charging port, vibration motor, and three power indicator LED lights. Vibration motor is programmed to indicate to the user when battery level is low. Provides 1 to 5 hours of power and is easily hot-swappable for continued all day use of the M300.

The M300 Wi-fi upgrade kit includes a USB power cable, a customized USB-A battery, a USB charging dongle, and a Wi-fi adapter dongle.
